

# 2018 USA NORAXON USER GROUP MEETING

NORAXON™  
MOVEMENT • DATA • PEOPLE

## JOIN US AT EXOS IN PHOENIX - OCTOBER 19 & 20, 2018

### Join us for the 2018 USA User Group Meeting

where you'll have the opportunity to meet and network with colleagues, collaborate with other Noraxon users and share best practices related to technology implementation, data interpretation, and decision making. Our special Guest Speakers have years of Noraxon expertise, and will discuss their technology experiences during lecture and workshop sessions. Additionally, the Noraxon biomechanics engineering team will share current product development insight and seek your feedback. Professionals and students working in research, clinical, sport medicine and performance settings are invited.

### Highlights

- See new and different technology uses
- Learn from long-time Noraxon users
- Share feedback and ask questions
- Get hands-on with new release technology

*"THE ABILITY TO JOIN MY PEERS IN LEVERAGING THE TOOLS, TECHNOLOGY AND KNOWLEDGE THAT COMES FROM THIS TYPE OF COLLABORATION IS POWERFUL. I WOULDN'T WANT TO MISS IT"*
